

We Like The Magna Carta

We like the Magna Carta
It comes in a shiny box
In the olden days they wore
Some pretty awesome frocks

There were some smelly peasants
Who worked in a field
They liked to eat some pheasants
It was their favourite meal

Equal rights,
Working together
Freedom,
Saying something,
Rights
Right to vote,
Freedom of speech
Own property

Equal rights,
Working together
Freedom,
Saying something,
Rights
Right to vote,
Freedom of speech
Own property
